Artwork Requirements

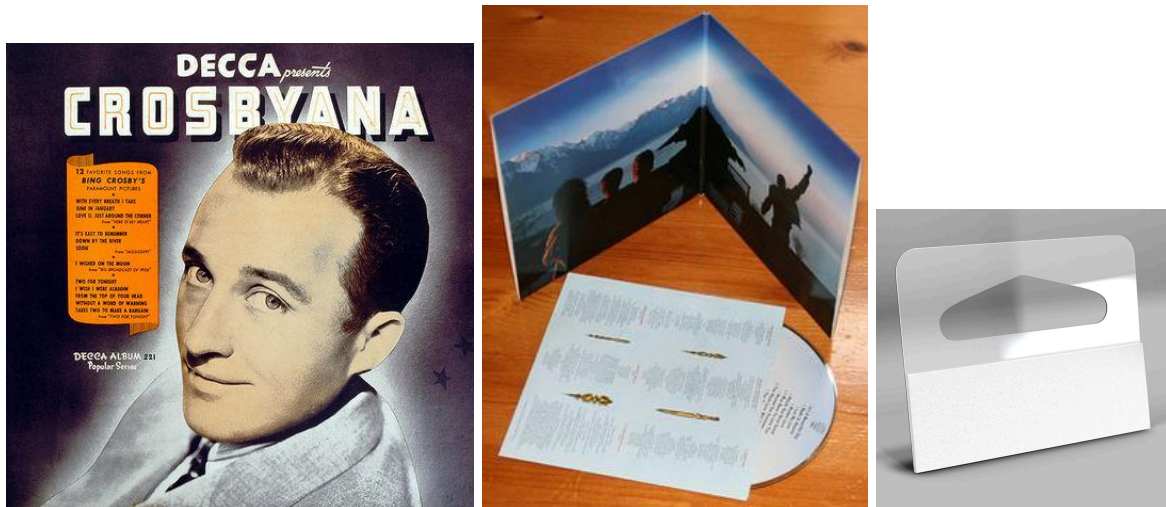

- Entries must be original, entirely created by the entrant, and not shown in a previous NWCS exhibit.
- All entries must be collage, defined as: an artistic composition made of various materials (e.g., paper, photographs, paint) glued onto the substrate
- 2-D and 3-D collage artwork will be accepted.
 - Please do not frame 2D pieces.
 - **Collages on standard single album covers/jackets do not require hanging hardware. *The Shows Committee, along with personnel associated with the venue, will attach the hardware or devices necessary to hang the pieces. This will be a self-adhesive merchandise tab which will be applied two inches down on the back of the piece at drop-off. By submitting the work, the artist consents and grants permission for such hardware or devices to be attached.***
 - The size of a typical LP album sleeve is 12.375 inches (31.43 cm) square, although collage made on cardboard covers of other sizes and on gatefold-style covers will also be accepted.
 - A single merchandise tab can support a piece weighing up to 19 oz (an empty LP jacket made of paperboard weighs around 3.4 oz; a gatefold-style that holds one to two LP albums weighs 5.4 to 7 oz).
 - More elaborate 2D pieces may require additional installation considerations to ensure they can be displayed securely. If such a piece is accepted, we can discuss it with you. We are up to the challenge so let your creativity soar!
 - There are limited pedestals for 3D work. Free-standing 3D pieces are also acceptable.
- Print the labels on the last page to identify your artwork with your name, title, and price.

Fogue Gallery reserves the right not to accept artwork they determine to be inappropriate. An

example of art that might not be appropriate would be something that could be construed as a racial slur.

Digital images of selected work will be retained by the NWCS and the Fogue Gallery. NWCS and Fogue Gallery assume permission to reproduce accepted artwork for promotional uses.

If you have questions concerning any of the above requirements, please contact Andrea Lewicki (theandrea@andrealewicki.com).

Where to find album covers

Most Goodwill and Value Village stores have a vinyl section with very inexpensive albums. A record store that does trade (takes in used albums for resale/store credit) may have surplus jackets from albums too damaged to sell. Fellow members may have a pile in their garage, and if you're in a Buy Nothing group in your neighborhood, you might score covers that way. Keep in mind that these album covers might be dusty, requiring a little surface cleaning for good collage adhesion.
